

THE DIRECTOR OF CENTRAL INTELLIGENCE

Office of the Director

27 March 1974

Mr. Frank R. Barnett
National Strategy Information Center, Inc.
130 East 67th Street
New York, New York 10021

Dear Mr. Barnett:

The Director has asked me to thank you for sending us Mr. Bell's monograph on "The Horn of Africa" published by your center. As you mentioned, the Persian Gulf and Indian Ocean area is one on which attention is being increasingly focused for a variety of reasons.

Would you please also convey our appreciation to Mr. Bell. I am sure my colleagues directly concerned with that part of the world will find his study both interesting and helpful.

With best regards,

Sincerely yours,

George A. Carver, Jr.
Deputy for National Intelligence Officers

Dear Mr. Colby:

Owing to the recent mutiny in Ethiopia--and the geo-political relation of the Horn of Africa to our vital interests in the Persian Gulf and Indian Ocean--I thought you'd like to review the enclosed study.

Otherwise we're keeping busy this 'spring, holding twenty two-day academic workshops on "Teaching About National Security" for professors from 320 colleges and universities.

With best regards, I am

Faithfully,

Frank Barnett
